P: Well, I met those few chaps that asked me if I wanted to be an exhibition space in München and since I was tired of being a prince in Wales, I decided to just go for it, try something else

Q: To become an exhibition space? So, maybe I can show my paintings inside you then? I am looking for an exhibition space, no one really wants to show my paintings, people can't take it that a queen paints

Q: Too busy?

P: yes
